

# **Double Your Pleasure: Perennials Boasting Flashy Foliage AND Flowers**

## **Presentation by Kerry Ann Mendez**

The Lodge on Echo Lake, Thursday, June 8  
11:00 a.m. - Presentation, Following – Luncheon

*Sponsored by Warrensburgh Beautification Inc.*

**All proceeds to benefit the completion of the Bicentennial Garden**

**Kerry Ann Mendez**, award-winning garden designer, author and lecturer, focuses on time-saving gardening techniques, workhorse plants and sustainable practices. The gardening guru is back to show us how to use foliage to enhance our landscape.

In Kerry's latest presentation, **Double Your Pleasure with Perennials Boasting Flashy Foliage AND Flowers**, discover how foliage can add incredible color to a garden without depending on flowers for a dramatic effect. And the bonus, if not the main attraction, is that foliage centered landscapes require little maintenance! This presentation features standout perennials for their wide array of foliage textures, forms, and colors. Gorgeous flowers are icing on the cake!

**A registration fee of \$25.00 for WBI members and \$30.00 for non-members includes a dynamic presentation and detailed handouts, a locally sourced buffet luncheon, door prizes, discount coupons and free gifts.**

Many thanks to the local farms, stores and restaurants for donating food for the luncheon; local garden centers and nurseries for offering discount coupons and free gifts and local businesses for donating product and services. Special thanks to **The Lodge on Echo Lake** for generously offering their facility, beverages, assistance with promotion and overall support for this event.
